

Psychiatryonline.org

Psychiatryonline.org is the platform for all American Psychiatric Association Publishing journals, *DSM-5*®, and bestselling textbooks, as well as APA Practice Guidelines, and continuing medical education. This is a one-stop resource for information on psychiatric diagnosis, treatment, guidelines, the latest research, and breaking news from the field. From a single location, users can search across all books and journals to find the most relevant content easier than ever.

Packages

Psychiatryonline Premium

The **Psychiatryonline Premium** subscription allows your patrons unlimited online access to a rich, well-rounded psychiatry and psychology collection. This comprehensive collection covers diagnosis and differential diagnosis, case vignettes to bring abstract concepts to life, multidisciplinary treatment guidelines, the latest research—all within a single search and navigation interface that integrates journals and books (including *DSM-5*® and *The American Journal of Psychiatry*, as well as a variety of reference titles and journals).

Psychiatryonline Core

The **Psychiatryonline Core** subscription provides unlimited online access to: *DSM-5*®, Spanish Edition of the *Desk Reference to the Diagnostic Criteria From DSM-5*®, *The American Journal of Psychiatry*, *Psychiatric Services*, and *Psychiatric News*.

DSM-5 Library

The **DSM-5® Library** subscription provides unlimited access to: *DSM-5*®, *DSM-5® Handbook of Differential Diagnosis*, *DSM-5® Clinical Cases*, and Spanish Edition of the *Desk Reference to the Diagnostic Criteria From DSM-5*®.

DSM Legacy Collection

The **DSM Legacy Collection** contains PDF files of the complete DSM archives. It includes: *DSM-IV-TR*, *DSM-IV-TR*, *DSM-III-R*, *DSM-III*, *DSM-II*, and *DSM-I*. It is available for a one-time purchase rate for perpetual access.

Psychotherapy Library

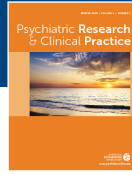

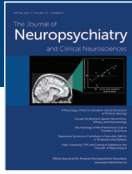

A **Psychotherapy Library** subscription allows your patrons access to a robust list of curated psychotherapy titles. This collection covers a multitude of topics including cognitive behavior therapy, psychoanalysis, mentalizing, and more—all within a single search and navigation interface that integrates journals and books. Many titles include vignette videos that illustrate key clinical problems, techniques, and more.

eBook Collections

These 12 month subscriptions offer access to a curated list of eBooks to a topic area—all within a single search and navigation interface that integrates journals and books. Three different collections (*Addiction Psychiatry*, *Child and Adolescent Psychiatry*, and *Geriatric Psychiatry*) are available—each feature a robust list of titles.

Journals

The American Journal of Psychiatry

Official Journal of the American Psychiatric Association

Editor-in-Chief: Robert Freedman, M.D.

The American Journal of Psychiatry is one of the most widely-read psychiatric journal in the world. Published monthly, it is an indispensable journal for all psychiatrists and other mental health professionals who need to stay on the cutting edge of virtually every aspect of psychiatry. Reviews and overviews help to prepare for recertification and original research provides information on the latest advances in diagnosis, treatment, neuroscience, and patient populations.

focus.psychiatryonline.org

Psychiatry Legacy Collection

Covers 152 years of psychiatry through three peer-reviewed psychiatry journals, including APP's online journals back to Volume 1, Issue 1. The collection dates back to 1844 and includes *The American Journal of Psychiatry*, the oldest continuously published medical specialty journal in the United States. Available as a one-time only purchase and provides perpetual access.

Psychiatric News

The Official Newspaper of the American Psychiatric Association
Editor-in-Chief: Jeffrey Borenstein, M.D.

The "one-stop" source of information for busy psychiatrists and mental health professionals. Each issue covers major news and developments on clinical and research topics that can help inform your patient care decisions. It also keeps you updated on related areas— such as federal and state laws and regulations, Medicare and Medicaid, court cases, and health care economics— that affect your practice. Clinical and research coverage includes reports on the latest developments in the full range of psychiatric disorders, as well as in psychopharmacology, psychotherapy, and other treatments.
